

Climate Change Subcommittee Minutes
12 August 2009

Susan Foster	PA
Carroll Cather	WV
Lester Facey	USEPA
Olivia Achuko	DC
Joni Canterbury	CO
Audrey Zelanko	AGZ/Vision
David Carter	KS
Katie Beam	IN
Sara Johnson	NH
Terry Polen	WV

Discussion included:

Future monthly calls will include individuals helping the rest of the committee understand pieces of the climate change puzzle.

HR 3032

This bill proposed addition of an Office of Environment, Energy, & Climate Change within the SBA. The bill also includes 507 language and coordination with the USEPA SB Ombudsman.

Proposed Federal Mandatory GHG reporting
Quick overview and consideration of the pollutants included

16 states that currently have voluntary or mandatory GHG reporting requirements

Implementation of assistance as related to energy divisions, etc.

Region IV has a monthly conference call at the 2:30 pm Eastern timeframe each month. Therefore, the climate change subcommittee will meet monthly at 1:30 pm Eastern

Next Month:

- a) Overview of the proposed federal GHG reporting rule---Terry Polen
- b) Overview of 16 current states with GHG reporting requirements---Sara Johnson with assistance from the individual states
- c) Discussion of Fluorinated Gases within the proposed federal GHG reporting rule---Katie Beam.

Thanks to all for the great call.

Respectfully

Terry L. Polen
