

Multimedia Sub-committee  
3/21/05 Conference Call  
Minutes

Present on call: Greg Copely, Roslyn Jackson, Phyllis Strong, and Audrey Zelanko

#1

We discussed Audrey's current model for a Multimedia Peer Center; this discussion was quite positive. We gave her input; she will make some edits to the model. Audrey will send us an updated version for review once she has completed her edits; this should occur within approximately 2 weeks. She will ask us to carefully look over the language leading to different links; she may ask us to submit some of this language ourselves.

We will wait to set our next phone call until Audrey has her next version to us. Phyllis will send out a notice as soon as it seems like we need to set up a call.

Our questions for mentor volunteers have been finalized. Phyllis obtained Karen Brown's 507 SBAP/SBO email distribution list and will go forward with sending out the invitation. She will give a 3 week deadline for a response to this first invitation.

#2

We pushed a discussion of question's brought up earlier by Tom Coogan to a later date.

From an e-mail from Tom:

I was wondering if we've answered the following questions with respect to a mentoring program.

- What is the time commitment?
- Where does multi-media end? May not need an answer, as multimedia programs probably take clients as far as they can expertise wise.
- Identified expectations for a Peer Program?

Or will the answers of these questions occur down the road?
