

TECHNICAL SUBCOMMITTEE

June 2009
Volume 6, Issue 1

<http://www.smallbiz-enviroweb.org/NSC/Subcommittees/Technical.aspx>

Mission

The charge of the subcommittee is to look at technical issues and rulemakings that are of interest and impact to small business and consequently to the Small Business Assistance Programs. Technical issues and interests were approached as a basic building block in the early foundation of the National Steering Committee. Central to the subcommittee's goals has been the desire to get involved in EPA's rulemakings, policy decisions, and guidance development in the representation of small business interests.
