What are the Objectives of the Home Page?

- ▲ Focuses on small business needs
- ▲ Centralizes access to compliance/p2 information
- ▲ Groups information by state, industry, etc.
- ▲ Provides “downloadable” access to publications, newsletters, etc.
- ▲ Provides direct links to EPA, state, other web sites

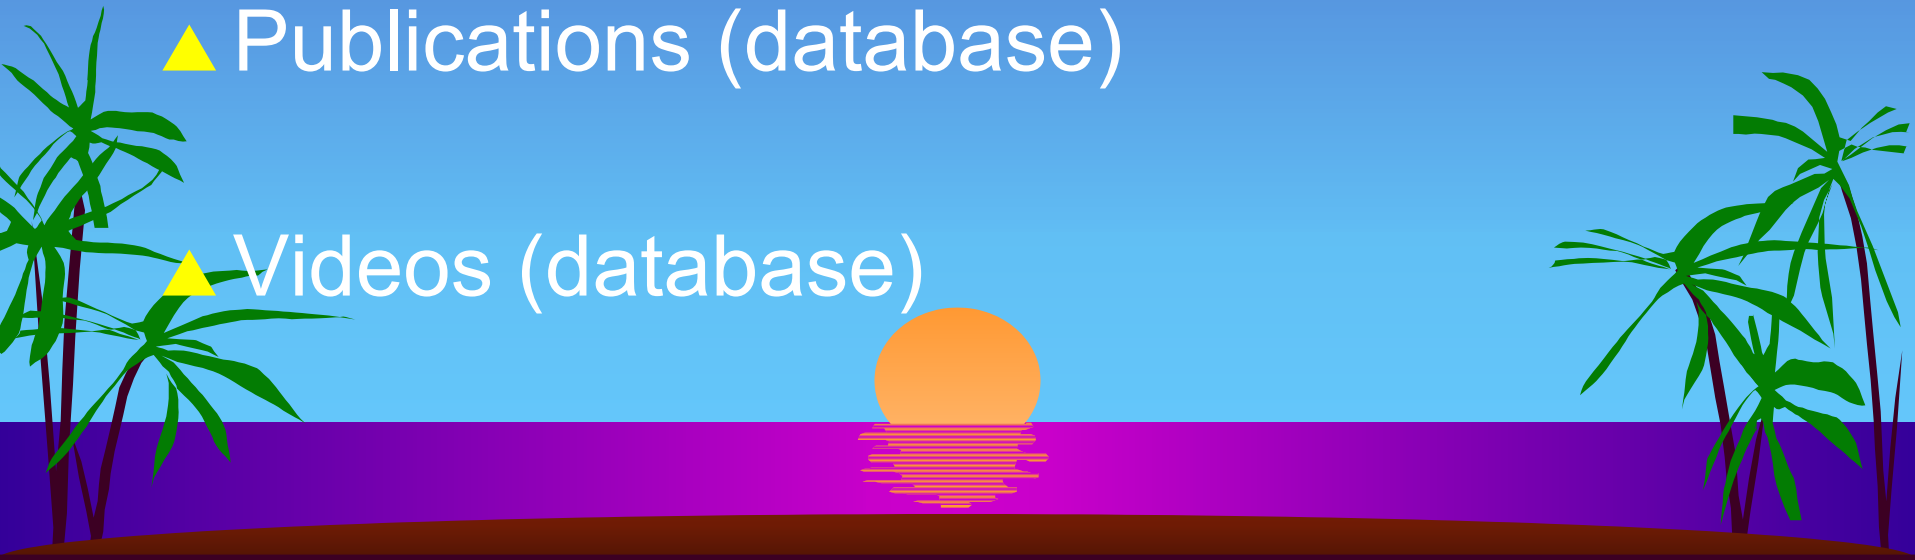

What's on the Home Page?

▲ News and Events

- Upcoming events database
- State news
- EPA SBO newsletters

▲ Publications (database)

▲ Videos (database)

What's on the Home Page? (Cont'd)

▲ Small Business Assistance

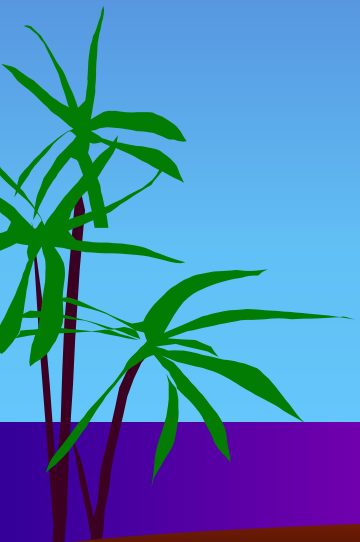

- Overview
- CAP information
- Performance measurement tools database
- Photographs from 1998 conference
- Region III small business web page
- Links to SBDCs
- SBTCP Reports to Congress
- Contacts

What's on the Home Page? (Cont'd)

▲ Compliance Assistance

- Regulatory updates, calendar
- Summaries of laws, links
- Links to state agencies and SBAPs
- Glossaries, links

What's on the Home Page? (Cont'd)

▲ Industry Sector Assistance

- Links by industry sector, other links
- Compliance Assistance Centers
- Trade association web sites, contacts

▲ Funding Help

- Definition of small business
- Federal, state program web sites
- Financing guide

What's on the Home Page? (Cont'd)

- ▲ Small Business Initiatives/Policies
 - SBREFA, RFA, etc.

- ▲ Pollution Prevention/ISO 14000
 - Pollution prevention web sites
 - Recycling exchange links
 - ISO 14000 web sites, documents

What is Unique About the Home Page?

- ▲ Web of links to web sites, newsletters, agencies, EPA departments, documents
- ▲ Searchable databases
- ▲ Information categorized by industry sector, environmental topic, state, etc.
- ▲ Compliance assistance tools focused on small business
- ▲ Updated contact lists

What are Future Goals for the Home Page?

- ▲ Increase awareness and use by small businesses and small business assistance programs
- ▲ Develop interactive tool for exchanging information (e.g., bulletin board)
- ▲ Expand databases and capability to share environmental information
- ▲ Continue to update/respond to users
