

SUBCOMMITTEE

Mission Statement

The mission of this subcommittee is to identify awards that might be given or applied for in order to gain recognition for the achievements within the 507 programs, including the small businesses they serve, and to promote visibility for the services the programs provide.

Get Involved

Participation on the Awards Subcommittee is open to all SBO/SBEAP program staff. Each region is asked to provide a representative. Please contact Phyllis Copeland for information on conference call times and to be added to the e-mail Distribution lists.
